Category	Amount	Share	Distribution
Dining & Food	₹10,000	100.0%	
Total Expenses	**₹10,000**	**100.0%**	

Income Sources

Source / Category	Amount	Share of Income
Salary	₹50,000	100.0%
Total Income	**₹50,000**	**100.0%**

Active Savings Goals

Goal Name	Target	Saved	Progress	Deadline	Added	Status
Emergency Fund	₹1,50,000	₹15,000	10%	No deadline	₹15,000	On track
Total Goals	**₹1,50,000**	**₹15,000**	**10%**	-	**₹15,000**	**1 Active**

How goals work: money you add to a goal is recorded for that goal only. It is not counted as an expense and does not change your income, expenses or savings figures above. FinTrack tracks your goals; it does not move money between accounts.

Top Single Expenses

Description	Category	Method	Date	Amount
-	Dining & Food	-	04 Oct 2026	**₹10,000**

How to read this report:
- Savings = income minus expenses.
- Goals are tracked separately and are not part of expenses or savings.
- Budget percentages show spending against each monthly limit.
- The Financial Health Score is out of 100 and is explained on the Analytics page.
